HOSPITAL PRE-OP INSTRUCTIONS

- Absolutely **NO** solid foods after midnight the night before your child's procedure. Doing so could be **LIFE THREATENING** and the hospital will cancel your appointment. Your child is allowed to have clear liquids which can only be water, apple juice, or white grape juice until a certain point, which will be instructed to you by our office and the hospital nurse.
- Nail polish is not allowed on your child's fingers
- No hair beads or clips
- Please brush teeth more than normal 1 week before the appointment
- **Please call our office if your child becomes sick 1 week prior to the appointment**
- Please call our office after the procedure to make a 7 to 10 day follow up appointment
